The Giving Tree
teaching kids to give back

BUILDING BETTER CITIZENS

This service-learning program provides students with an opportunity to participate in community service projects seasonally throughout the school year.

Areas of focus

- Fall: Hunger & Food Insecurity
- Winter: Homelessness & Dignity
- Spring: Community Engagement

Program includes:

- All hands-on project materials
- Educational curricula
- Card making materials
- Reflection piece for students

$25 per student

Your school will receive a banner and a certificate of completion in the spring.

Inspire to Give:

Make an educational video to teach other students about giving back! Contact us for details.
